Main Street - New Vienna in the late 1800's*

New Vienna Brewing Company

St. Boniface Church & Rectory

www.NVAHS.org

Our Beginning

Built in the 1850's, this 23 room building served as boarding rooms and convent for the Catholic Sisters who taught the St. Boniface grade & high school. Tour guides take visitors back into the early days of New Vienna, when in 1843 five German Catholic families decided the rich fertile land would be an excellent place to call home.

THE Heritage Day Social
